## Maymont gives back!

As a non-profit, it has been easy to see that times are tough... for our visitors, friends, donors and for the corporations who support us—we are all in this together! We asked ourselves... ***what can we do?*** We decided that it was time to roll up our sleeves and ***GIVE BACK!*** In that spirit, we have created a special opportunity for you, your employees or customers.

No doubt your employee picnic or customer entertainment budget has been slashed... but you still need a way to show them how special they are! MAYMONT'S SOLUTION: We have created a special **Summer Concert on the Lawn** featuring The Embers. The Atkinsons and Susan Greenbaum complete the line up which will feature Steve "Mr. Beach" Leonard as emcee. Special low pricing for tent and/or ticket packages will let you build the right experience for your budget. So let's all join together to celebrate all the good things we have in our lives and community!

## Summer Concert on the Lawn

**Wednesday, June 17, 5-10 pm**

***When the going gets tough . . .  
MAYMONT throws a party to get you through it!***
