## **"Home for the Holidays" EZ100.5 FM & AMEN820-AM bring communities & Troops together for the holidays via radio and Internet messages**

**Richmond/Petersburg VA -- EZ 100.5-FM & AMEN 820-AM** launch their Richmond area & world wide promotion bringing families and troops together for the holidays. Beginning Veterans' Day, EZ100.5-FM and AMEN820 AM invited loved ones friends and the communities in Richmond and surrounding counties to send a little bit of **"Home for the Holidays"** to troops and those serving around the world.

**EZ 100.5 and AMEN 820** offer families and the community the opportunity to record a personalized message to soldiers which will air on the radio but most importantly a message that can be heard by troops anywhere in the world on the Internet at [EZfmradio.com](http://EZfmradio.com) or [AMEN820.com](http://AMEN820.com).

Anyone wishing to record their message can call **804-717-2007 Now through November 30th , 2008**

**Greetings can be heard on radio and Internet: Thanksgiving day through New years Day**

The "Home For the Holidays" greetings will begin airing 24 hours a day on both stations & internet sites, **Thanksgiving day through New Years day.**

This project offers a unique twist to the traditional "Hi Mom" greetings from the troops, by allowing local families to *send* their greetings and for troops to actually **HEAR** messages of love and support from their local communities via the Internet.

Any organizations wishing to help get the word to troops and families of this service, or for further information call Yvonne Hagen, General Sales Manager at 804-717-2000 ext 113 or [yhagen@wggm-wzez.com](mailto:yhagen@wggm-wzez.com)
