

We've taken customer targeting to a new level

YAHOO!

BEHAVIORAL TARGETING

Now more than ever you need to get maximum ROI for every advertising dollar you spend. With **Yahoo! Behavioral Targeting** your next campaign will go right to your best prospects. Your ad will reach the target audience with less waste, making sure your budget works harder.

Here's how it works. Yahoo! monitors how users click ads, search and access content. Based on this behavior, Yahoo! can deliver your message right to a pre-qualified audience on the most highly trafficked sites on the Internet.

This powerful and affordable marketing tool now is available directly from the Richmond Times-Dispatch and TimesDispatch.com in partnership with Yahoo!
